## What's been happening this week?

We had a group of Year 6 pupils visit London this week on the train. They went to the Houses of Parliament and went into the House of Lords and the House of Commons. Whilst they were there they learnt about how laws are formed and this relates closely to the work we do in school around British values: Liberty, Tolerance, Justice, Democracy and the Rule of Law.

## Superstars!

This week, our superstars were:

We now have some second hand uniform stored in the office that you are welcome to take if you need some more supplies.

## A Reminder about Year 6 Residential.

The children will be leaving from school on the 21st October at 1.30 pm from the Hythe Social club (formally the British Legion), if you wanted to wave them off. They should arrive back at 2.30pm on Friday 25th and you may collect them from the coach and take them home for probably a good wash and a sleep after a thoroughly good week !

A big thanks in advance to the staff who have volunteered to go and support this wonderful opportunity.

## Friends News

### DOES YOUR CHILD HAVE PROBLEMS WITH ANXIETY?

### OSI COULD HELP YOU

OSI (Online Support and Intervention) is an online platform designed to help parents to learn tools and techniques to help their child (aged 5 to 12 years old) to overcome difficulties with anxiety.

Parents work through weekly online modules that contain videos, quizzes, and interactive worksheets. Parents are also supported by a weekly telephone/videocall appointment with a practitioner.

You can access OSI at a convenient time for you using any electronic device!

### HOW TO ACCESS OSI

If your child attends one of our schools and you feel OSI would be helpful for you and your child, please scan the QR code which will take you to the OSI self-referral form.

Alternatively, if you would like to discuss this further with someone or would like to consider alternative support, please speak with the Senior Mental Health

## Safer asthma

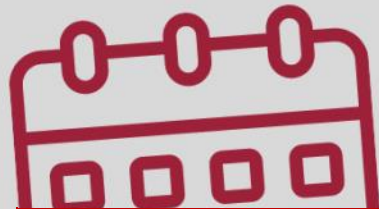

Do you know a child who has asthma? They need to:

- see a healthcare professional once a year
- get their inhaler technique checked
- get a written asthma action plan (for school and home).

Asthma can be fatal for young people. Get your child's breathing sorted. Get their medication checked every year. Contact your GP practice.

Visit [www.SaferAsthma.co.uk](http://www.SaferAsthma.co.uk) to find out more.
