E-scooters – are you breaking the law?

Can I ride my e-scooter to school or work?

No, it's Illegal...

E-scooters are classed as motor vehicles and are required to be taxed and insured. It's not possible to get insurance for privately owned e-scooters, which means it's illegal to use them.

Can I ride my e-scooter on the pavement?

No, it's Illegal...

You cannot use e-scooters on public footpaths, cycle lanes or roads.

What happens if I'm caught using my e-scooter in public spaces?

The scooter may be seized and as a result, destroyed.

If stopped by an officer, you may be asked to complete a breath and drugs test. You also risk a £300 fine and six penalty points on your licence for no insurance.

**Kent
Police**

Think before you buy:

The number of electrical scooters being used on our streets has risen, as well as reports of serious injury and fatalities.
