Friday 31st January 2025

What's been happening this week?

The children in Year R have enjoyed the sunshine and were able to enjoy a glorious walk to the beach in between the showers.

In Year 1/2 they continue to learn all about Mary Anning - if you don't know who she is, they do!

Yr 3/4 took their RE lesson up to the church and Rev Michael supported them with their understanding of Baptism and the symbolism of water for Christians .

Yr 5/6 have been producing some beautiful art work and I can't wait to see the finished pieces.

Superstars!

This week, our superstars were:

Non School Uniform day

Friday 14th February

One of our former Hythe Bay student, Ashton Platts, has been selected to represent the England Schools Swimming Team in the ISF Under-15 World Student Games in Zlatibor, Serbia from 4th - 14th April 2025.

This is an international level multi sports event involving 22 sports and 4 para sports, only the top 6 male and female para swimmers in the country have been selected.

Ashton is a role model both at school and his club demonstrating that anyone can join in and enjoy sport or social activities despite having any social, physical or intellectual limitations.

Ashton needs to raise sponsorship to enable him to participate and we would like to show our support.

We are so proud of Ashton's achievements and so we will be having a non-uniform day on Friday 14th February. In honour of Ashton's sporting achievements we would encourage the children to wear their 'Sporty' clothing in exchange for a small donation, it might be too cold to come in swimmers though!

Class Attendance

This week, the class with the best attendance was:

Ionian Sharks 94.7 %

The school's attendance was: 90 %

We have been informed of a Dental Practice accepting new NHS patients, both adults and children. They can accept registrations via email and telephone as they are aware not everyone has the time to come into the practice. They are located at 27 Biggin Street, Dover, CT16

Head lice

Head lice in school is an ongoing issue in school and we ask you to please be vigilant as they appear to be widespread at the moment. It is important that parents are aware of how to treat head lice and possible measures to take to prevent them spreading. If you need any support then please come and ask or please visit <https://www.nhs.uk/conditions/head-lice-and-nits/>

We want it to be awesome too!

We're looking to transform the **Lower Leas Coastal Park's** play area for the first time in nearly 25 years. It's a big investment and we want to get it right – that's where you come in.

Share your views and complete our survey by **24 February 2025**. All ideas will be considered.
