## What's been happening this week?

Hythe Bay has been a busy hub of activity this week. The fence has been replaced at the front of the school but we are still waiting to hear when the repairs to the youth club will take place. We hope that it will be soon.

Reception have enjoyed exploring 'Sails' and KS1 are exploring fossils while Yr 3/4 have been looking at maps and finding out where volcanoes are located. Yr 5/6 have been trying to draw self portraits only using one line!

## Head lice

Head lice in school is an ongoing issue in school and we ask you to please be vigilant as they appear to be widespread at the moment. It is important that parents are aware of how to treat head lice and possible measures to take to prevent them spreading. If you need any support then please come and ask or please visit <https://www.nhs.uk/conditions/head-lice-and-nits/>

## We want it to be awesome too!

We're looking to transform the **Lower Leas Coastal Park's** play area for the first time in nearly 25 years. It's a big investment and we want to get it right – that's where you come in.

Share your views and complete our survey by **24 February 2025**. All ideas will be considered.
